cartoons, buy a space cow, eat pluff pants with
catsup on top and pickle juice. When I called
from shagawha to Earth. It was fairly fuzzy. I said
"Come Here Now!" Then they came in the extra
"X" ship. They thought the Ailers looked very

bread, turkey, olives, and cranberries. My mom,
dad, sister, and cousins all were there to
have dinner with me. The food was flying
around in the rocket. Time to go back to
earth and so we did.

Mysterious Christmas

It was Christmas Eve and I heard a chew-
ing noise. I got up and heard a poof. I went in
the kitchen, and didn't see a thing. So I went
to bed and didn't sleep, so I got back up and
peaked out my door. I saw Santa. I turned
my head and said "I'm dreamin." But, I wasn't,
so I snuck back in the kitchen and was
shok to see Santa. Then I went to my mom's

room, and dad was not there. So I went back to the family room, and dad was taking off a fake beard! The whole time it was him or was it?

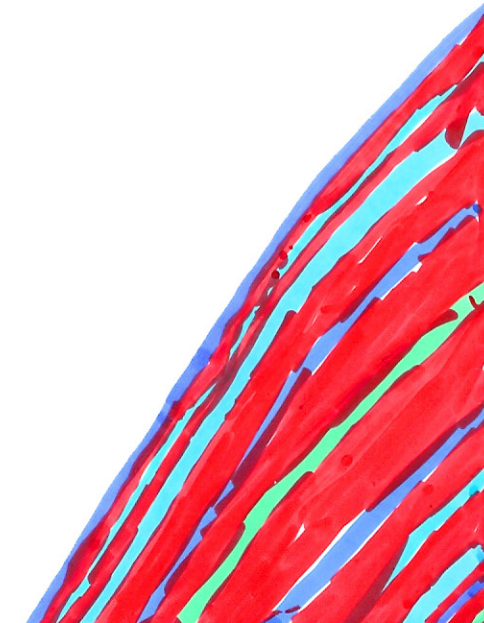

My favorite Christmas By Elijah
On Christmas Eve, my friends
Hunter, S., Nolan, Caiden, Mason and
my grandma and I went to
celebrate on the North Pole. We
sang Christmas carols and danced.
We saw a gift, it was a giant
hamster. We also saw Santa Claus
and his elf, and Rudolph the red nose

reindeer was pulling Santa's sleigh with lots of other reindeer. Santa Claus took me and my friends to my house.

My Dreamy Holiday ^{By Caiden}
Herbie was in a hotel on Christmas when his family decided to go to the park. When we got there a giant snowman started attacking and smashing kids with a giant lollipop. Even though some were still terrified we figured out he was a nice snowman bringing joy to us kids, and the best holiday of our lives. He was actually letting kids take a piece of his lollipop and smashing them. Herbie got back to the hotel feeling tired. When they walked into the hotel a giant turkey started attacking. Good Good! Now we'll have the perfect Christmas
