writes words.

Robert is writing all the
words in our book!

he ties his friend's
shoes.

somebody is hurt.

Eilish helps when she is singing. She also helps to teach her friends sign language.

holds the door open.

become better readers.

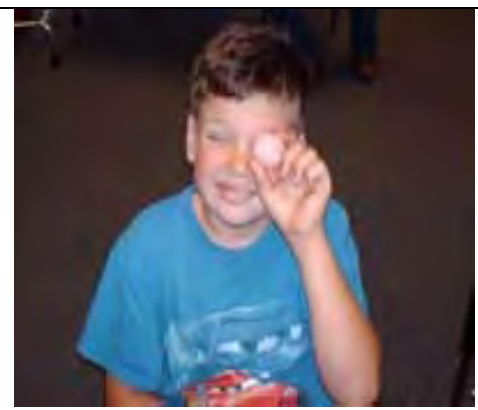

Maria is helping when
she smiles, laughs, and plays.

We are helping when we are
good listeners and when we
raise our hand to talk.

We are good helpers when
we play. We play at recess
with lots of friends.

We are helping when we
play and have fun with
play dough.

We are helping when we
play with bubbles or a ball.

We are helping with work
or play at school and at
home.

Thomas helps get Danny and
Robert out of a tree.

Maria helps do the dishes.

Danny helps mow the lawn.

We even help in our
imagination!
We can fill the sky with
fireworks.

We can brush an alligator's
teeth.

We can play ball with
a bear.

We can swing with
raccoons.

There are so many
ways that we help!
