

JACK AND MARY

• BY JULIE MAY

IT ALL STARTED WHEN JULIE AND HER DADDY PLANTED TREES AND JULIE NAMED THE TREES JACK AND MARY.

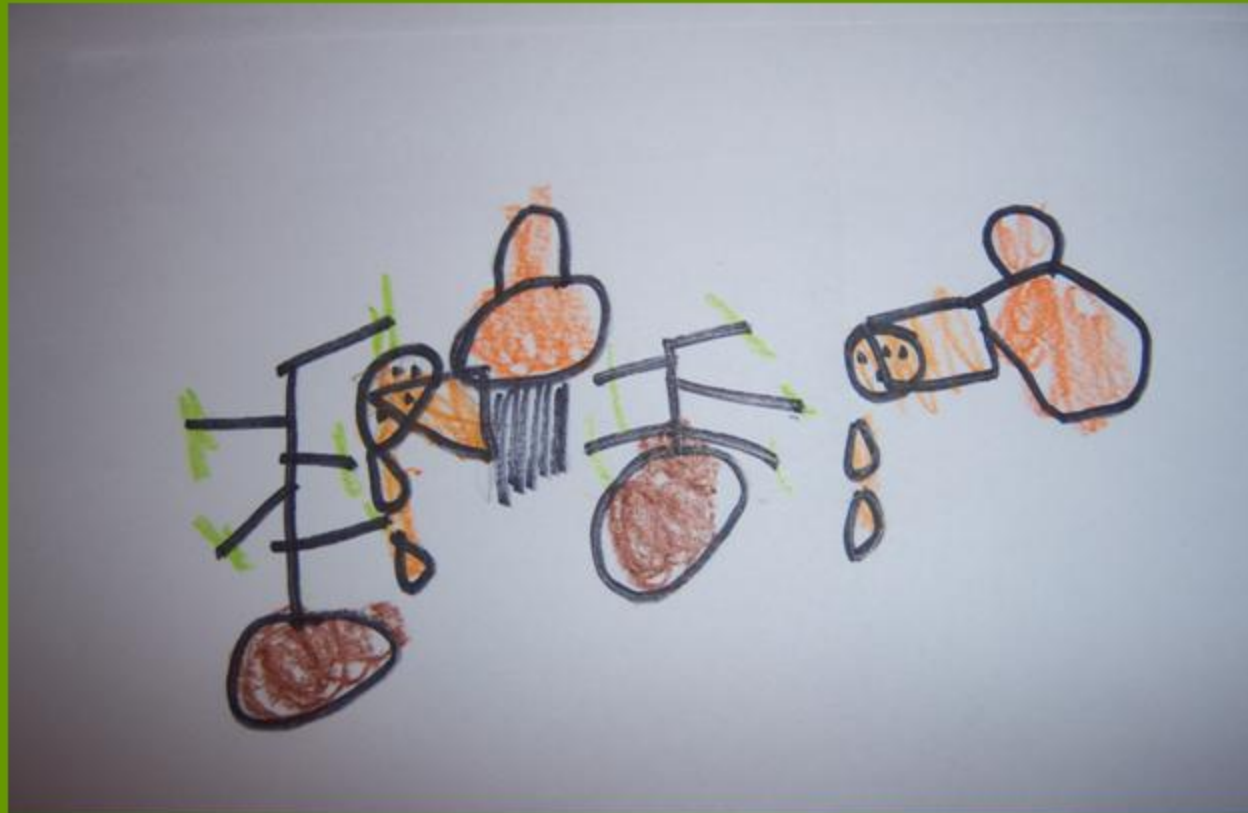

**JACK AND MARY ARE FLOWERING CRAB TREES.
JULIE AND HER DAD STARTED TO PLANT THEM
WHEN THEY WERE TWIGS.**

THEY DUG A HOLE.

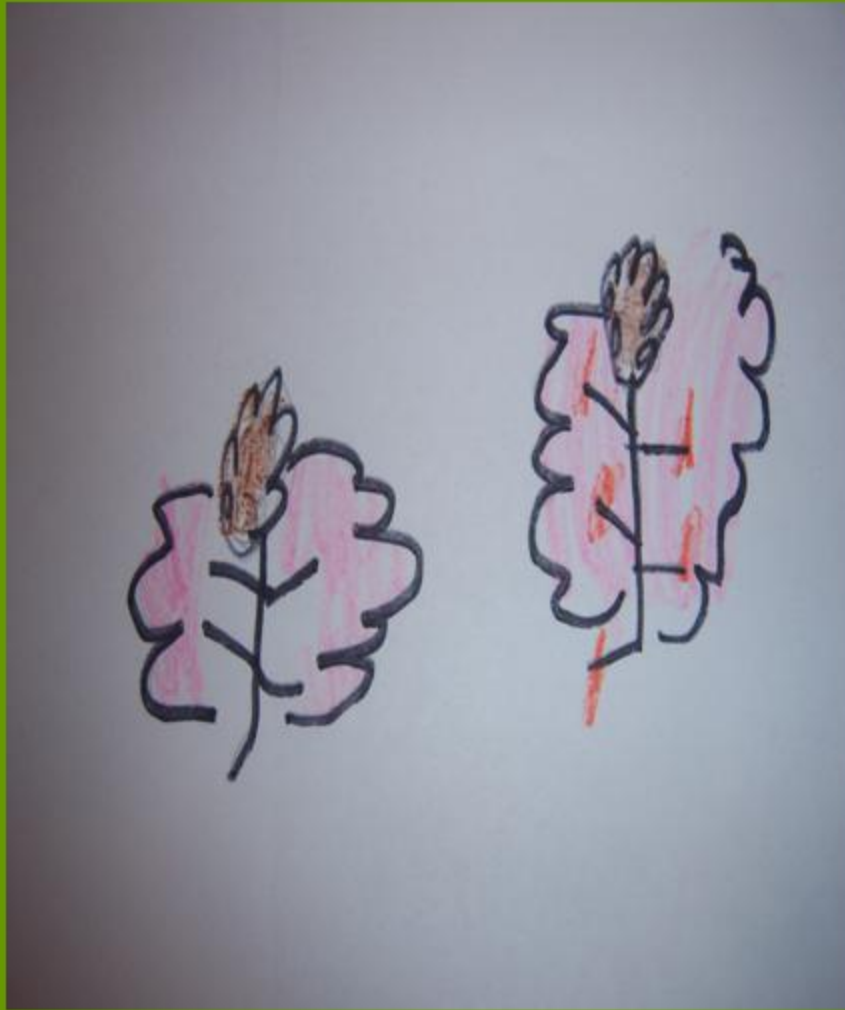

THEY PLANTED THE TREES.

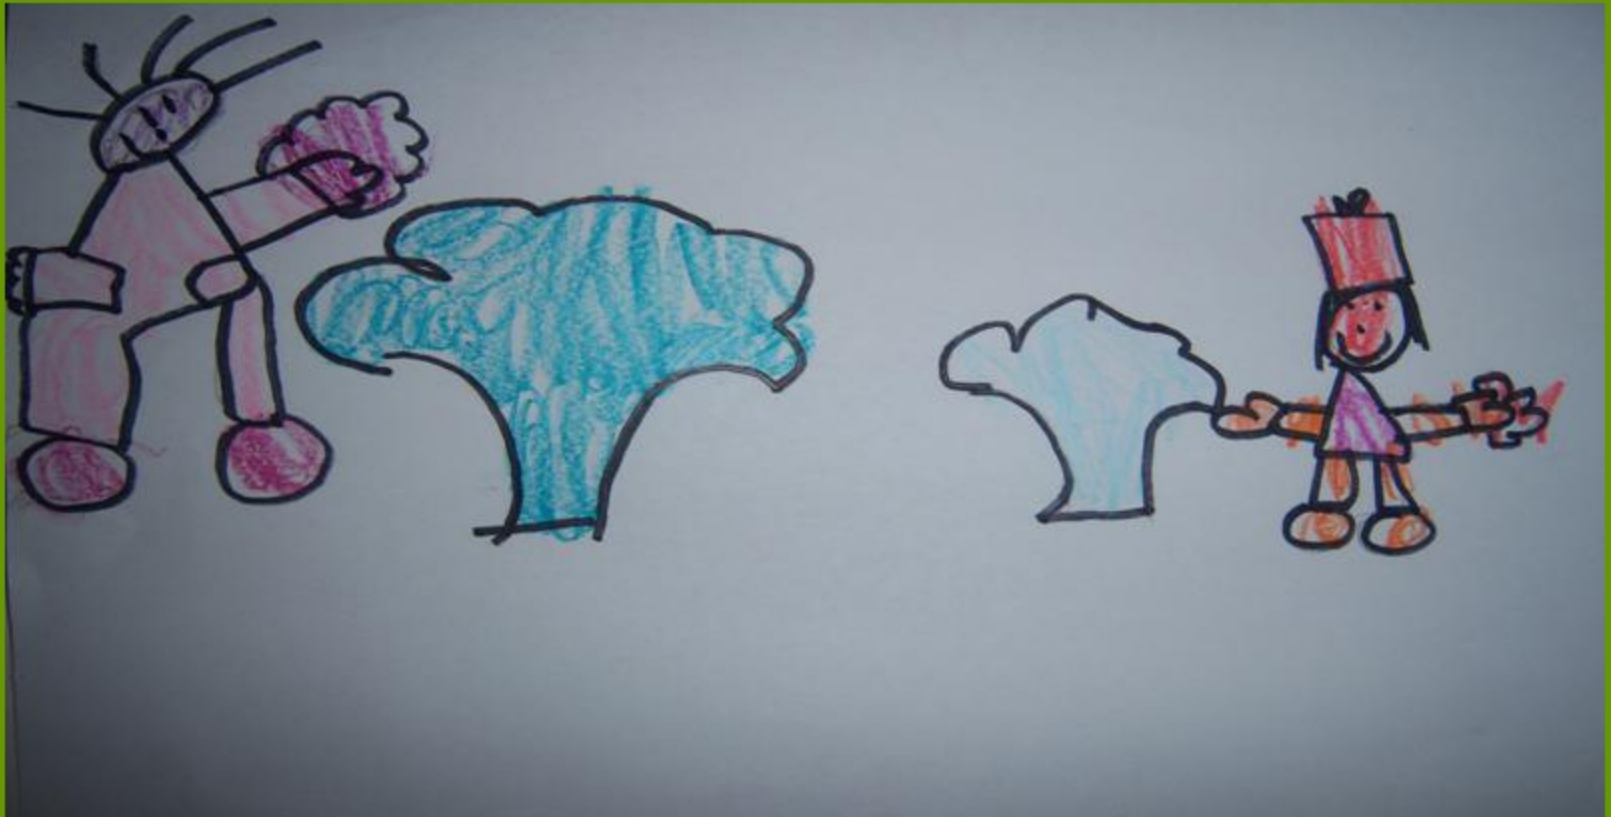

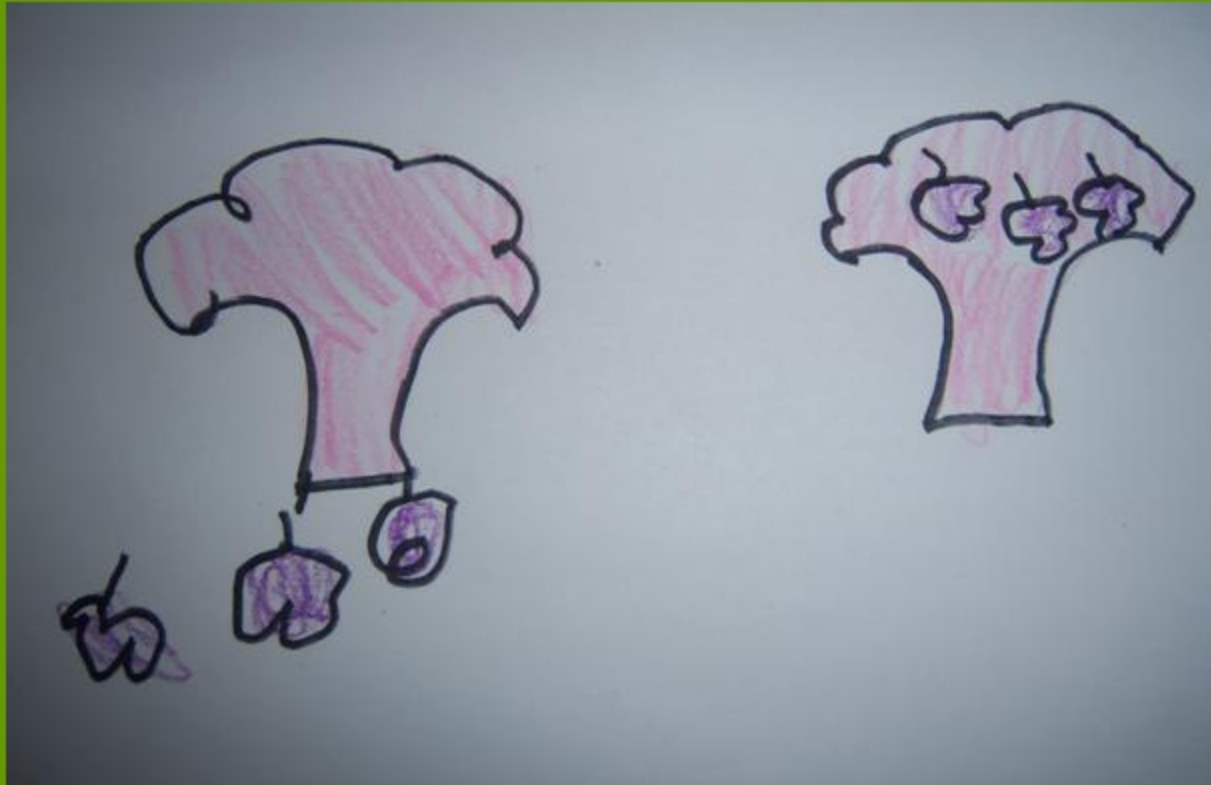

JULIE AND DADDY GAVE THEM WATER.

**AROUND THE
TREES THEY PUT
SOME DIRT AND
FENCES TO KEEP
THEM SAFE.**

**AND EACH DAY THEY WATCHED THEM GROW UNTIL
THEY COULD TAKE THE FENCES DOWN.**

**THEN JACK AND MARY STARTED TO SHED
THEIR LEAVES IN THE FALL, BUT EVERY
SUMMER THEIR LEAVES TURNED GREEN.**

NOW JACK AND MARY ARE BIG, AND MARY IS THE BIGGEST.
