### 03. On The Way To School (C Thompson & Loth ..., New Lyrics C Laurie Story)

What a lot of things to see, on the way to school!  
Squirrels running up a tree, on the way to school!  
Leaves are blowing in the breeze, falling and dancing from the trees!  
What a lot of things to see, on the way to school!

What a lot of things to hear, on the way to school!  
Someone whistles loud and clear, on the way to school!  
Feet are running down the path, bird in a puddle takes a bath (splash!)  
What a lot of things to hear, on the way to school!

What a lot of things to smell, on the way to school!  
Breakfast pancakes, I can tell, on the way to school, mmm!  
Fall flowers smell so sweet, fresh cut grass underneath my feet!  
What a lot of things to smell, on the way to school!

What a lot of things to feel, on the way to school!  
Wooden statue, is it real?, on the way to school!  
Mommy's hand feels warm in mine, tabby's fur is fluffy and fine!  
(Spoken: Good morning Tabby ~ meow!)  
What a lot of things to feel, on the way to school!

What a lot of things to see, on the way to school!  
What a lot of things to hear, on the way to school!  
What a lot of things to smell, on the way to school!  
What a lot of things to feel, on the way to school!  
On the way to school! On the way to school!  
On the way to school! On the way to school!

## 10. Today It Was Raining © 1997 Laurie Vela (Repeat Lines = /"

Today it was raining /"  
grapes and dates! /"  
So I filled up my plate /"  
and I ate and I ate! /"

The grapes were served by an ape in a cape  
who took the dates to Dave with a wave!  
And Dave took the dates into his cave to save ...

Today it was raining /"  
crunchy hail! /"  
I filled up my pail /"  
so it wouldn't get stale! /"

Inside my pail was a little snail!

She was opening her mail and reading it to a quail.  
And then they set sail on the tail of Gale the whale!

Today it was raining /"  
in tasty flakes! /"  
And great big birthday cakes /"  
the clouds had to bake! /"

Inside one cake was Jake the snake;  
the great cake baker was filling cake acres  
with a cake to take to Blake, the drake bathing in lemonade lake!

Today it was raining; /"  
I wasn't afraid! /"  
It made lemonade; /"  
sticky puddles to wade! /"

In a lemonade puddle came a lion who was tame!  
She said her name was Jane and she was playing a game!  
She said I could play the same with only the rain to blame!

Today it was raining! /"  
It was really great! /"  
I filled up my plate! /"  
And I ate and I ate! /"  
( 'Til I had a tummy ache!)

#### 14. Can't Find My Shoes Blues © 1997 Laurie Story Vela

It's past time we were gone, the morning rush is on!  
It's a race that we hate to lose ...  
We're all ready to go except for one thing; I can't find my shoes!  
Can't find my shoes, I've got the blues!  
Got the I can't find my shoes, can't find my shoes blues!

My mother is mad and so is my dad. My brother and my sister too.  
We're all looking around for what can't be found. Oh, where, where are my shoes!  
Can't find my shoes, I've got the blues!  
Got the I can't find my shoes, , can't find my shoes blues!

My sister and brother are going with my mother.  
Guess I'll have to stay with dad. Boy oh boy, mmmm, everybody sure is mad!  
Then there's a yell from the car, "HEY! HERE THEY ARE!"  
They have found my shoes!  
They've got my shoes! I don't have the blues!  
No more I can't find my shoes blues! I found my shoes! No more blues!

("UNTIL NEXT TIME!")

## 15. Blue Dinosaur © 1997 Laurie Story Vela

Just behind my closet door, I found one blue dinosaur!  
Blue dinosaur, sitting on the floor. Blue dinosaur, what are you here for?

The dinosaur smiled big and blue saying, "I am here to help you!"  
Blue dinosaur, dinosaur of blue, can you help me tie my shoe?

The dinosaur said, "It's easy to do, I can help you tie your shoe!"  
Blue dinosaur, dinosaur of blue, Thank you for tying my shoe!

There was another dinosaur, a dinosaur of red.  
This dinosaur had a hat for my head.  
Red dinosaur, dinosaur of red, can you put this hat on my head?

"Yes, it's easy", the dinosaur said, "I will put this hat on your head!"  
Red dinosaur, dinosaur of red, Thank you for putting this hat on my head!

There was one more dinosaur sitting there on my closet floor.  
This dinosaur was a dinosaur of green with the warmest coat, I'd ever seen.  
Green dinosaur, dinosaur of green, that's the warmest coat that I've ever seen!

The dinosaur smiled & said, "It's for you, to wear with your red hat & blue shoes."  
Green dinosaur, dinosaur of green. Thanks for the warmest coat I've ever seen!

I had on the coat, the hat and the shoes.  
The dinosaurs waved green, red and blue.  
Then the dinosaurs closed the closet door.  
When I opened it again, they weren't here anymore!

Green dinosaur, dinosaur of green, you're the best green thing I've ever seen!  
Red dinosaur, dinosaur of red, could you be hiding under my bed?  
Blue dinosaur, dinosaur of blue, I'm so glad that I met you!
